Day at the Races

Date: November 12, 2011

**To the Men and Women of the Cosmopolitan Golf
Club:**

We are a premiere golf club and we produce outstanding products such as leaders in Western States Golf Association, our relationship with one another, our green and white uniforms are legendary, our spirit of cooperation, golfing skills and our Annual Souvenir Brochure.

For the past several years, as a part of the Vice President's committee, I have coordinated the club's Annual Brochure. As you know this brochure is second to none and reflects on the kind of club we are. In order to maintain our pre-eminence in this area, I'm asking all Cosmos to do what I have done!

1. I opened an account with Broadway Federal Bank
2. I have my cars washed at Rain Forest
3. I have my clothes cleaned at Sir Charles Cleaners
4. I support the Black Business Association
5. All State Financial Services insures my home and automobiles
6. Baldwin Hills Tax Service provides my income tax service
7. I support McDonalds
8. I use E.P.S. for my photo services
9. I frequent Soul Food Express
10. Leimert Top and Body Shop repairs my cars
11. I frequent Buffalo Wing Grill and Bar, Baldwin Hills
12. I use Leimert Auto Service for tune-ups, brakes and engine work for my cars
13. I subscribe to the Los Angeles Sentinel
14. I support The African American Cosmetologist Hall of Fame
15. I have an account with One United Bank
16. I use Lacy Westbrook III plumbing contractors for my home and rental property
17. I use Milestone Mortgage Co. for my real estate clients
18. I have an account with Chase Bank
19. I use Crenshaw Lock Company for all of my lock and key needs
20. I buy products from Simply Wholesome
21. I'm a partner and supporter of the Wallace Arts Foundation

In addition, I have a close affiliation with the Brotherhood Crusade, the Los Angeles Sentinel Newspaper and Northrop Grumman.

What these organizations and companies have in common is that they all are participants as ad sponsors and whom I personally support. Not just in words, but I use their services. I'm challenging each

one of you to review our Brochure and list those ad sponsors that you use. If after your review and you determined very little usage of our ad sponsors, ask yourself why? And then do something about it! If you believe as I do, let's work together to improve our Brochure and use it as a "Service Directory".

For those of you who have helped me to implement the Cosmopolitan Annual Souvenir Brochure, my deepest thanks.

Sincerely,

Leo Hill, Sr.

26-1. Relief for Ball in Water Hazard

It is a question of fact whether a ball that has not been found after having been struck toward a *water hazard* is in the *hazard*. In order to apply this Rule, it must be known or virtually certain that the ball is in the *hazard*. In the absence of such knowledge or certainty, the player must proceed under Rule 27-1.

If a ball is in a *water hazard* or if it is known or virtually certain that a ball that has not been found is in a *water hazard* (whether the ball lies in water or not), the player may under penalty of one stroke:

- a. Play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5); or
- b. Drop a ball behind the *water hazard*, keeping the point at which the original ball last crossed the margin of the *water hazard* directly between the *hole* and the spot on which the ball is dropped, with no limit to how far behind the *water hazard* the ball may be dropped; or
- c. As additional options available only if the ball last crossed the margin of a *lateral water hazard*, drop a ball outside the *water hazard* within two club-lengths of and not nearer the *hole* than (i) the point where the original ball last crossed the margin of the *water hazard* or (ii) a point on the opposite margin of the *water hazard* equidistant from the *hole*.

When proceeding under this Rule, the player may lift and clean his ball or *substitute* a ball.

(Prohibited actions when ball is in hazard - see Rule 13-4.)

(Ball moving in water in a water hazard - see Rule 14-6.)

26-2. Ball Played Within Water Hazard

■ a. Ball Comes to Rest in Same or Another Water Hazard

If a ball played from within a *water hazard* comes to rest in the same or another *water hazard* after the *stroke*, the player may:

- (i) proceed under Rule 26-1a. If, after dropping in the *hazard*, the

player elects not to play the dropped ball, he may:

(a) proceed under Rule 26-1b, or if applicable Rule 26-1c, adding the additional penalty of one stroke prescribed by the Rule and using as the reference point the point where the original ball last crossed the margin of this *hazard* before it came to rest in this *hazard*; or

(b) add an additional penalty of one stroke and play a ball as nearly as possible at the spot from which the last *stroke* from outside a *water hazard* was made (see Rule 20-5); or

(ii) proceed under Rule 26-1b, or if applicable Rule 26-1c; or

(iii) under penalty of one stroke, play a ball as nearly as possible at the spot from which the last *stroke* from outside a *water hazard* was made (see Rule 20-5).

■ b. Ball Lost or Unplayable Outside Hazard or Out of Bounds

If a ball played from within a *water hazard* is *lost* or deemed unplayable outside the *hazard* or is *out of bounds*, the player may, after taking a penalty of one stroke under Rule 27-1 or 28a:

- (i) play a ball as nearly as possible at the spot in the *hazard* from which the original ball was last played (see Rule 20-5); or
- (ii) proceed under Rule 26-1b, or if applicable Rule 26-1c, adding the additional penalty of one stroke prescribed by the Rule and using as the reference point the point where the original ball last crossed the margin of the *hazard* before it came to rest in the *hazard*; or
- (iii) add an additional penalty of one stroke and play a ball as nearly as possible at the spot from which the last *stroke* from outside a *water hazard* was made (see Rule 20-5).

Note 1: When proceeding under Rule 26-2b, the player is not required to drop a ball under Rule 27-1 or 28a. If he does drop a ball, he is not required to play it. He may alternatively proceed under Rule 26-2b(ii) or (iii).

Note 2: If a ball played from within a *water hazard* is deemed unplayable outside the *hazard*, nothing in Rule 26-2b precludes the player from proceeding under Rule 28b or c.

Penalty for Breach of Rule:

Match play - Loss of hole; Stroke play - Two strokes.
